

# HEATHER MIRROR WITH HINGED MAGNIFICATION H01641

## REAR VIEW OF MOUNTING SYSTEM

All Melanie Mirrors come with installed mounting brackets and spacers.  
Mirrors include 'L' shaped screws and butterfly wall plugs.

1. Establish Mirror overall height and centre point on wall.
2. Measure from top of Hinge Post down to bracket position and draw level line.
3. Drill **5/16" pilot holes** for insertion of wall plugs.  
(Ensure that drill bit is **correct size**.)
